

Use online table seating to improve real life networking

Old fashioned way:

Bumping into the right people by 'luck'

Modern way:

Event apps, messaging to make 1on1 meetings

Con's:

Not everyone downloads apps

Networktables solution:

Online table seating, choosing a seat during or after registration at a table with interesting people based on topics.

Pro's:

Everyone has to eat!

HOW NETWORKTABLES.COM WORKS?

Online

Offline

- 1  Attendee receives email
- 2  Attendee takes a seat
- 3  Table setting print package is sent to event organizer

- 1  Print package
- 2  Put on the tables
- 3  Use the attendee table list to remind people where they sit
